

VALUE-BASED CARE SUMMIT
JUNE 29-JULY 1, 2025
SCOTTSDALE, AZ

PAST AGENDA

SUNDAY

MONDAY

TUESDAY

TIME ZONE: PST

FILTER

SUNDAY - JUNE 29, 2025

1:00 PM	Registration Desk Open
5:00 PM	East Foyer Registration Desk
1:00 PM	Preconference Workshop A: Deep Dive: Value-Based Care Contracts – From Strategy to Execution Moor 1 *Additional Registration Required - Define the core principles of Value-Based Care (VBC) contracts and how they differ from traditional fee-for-service agreements - Compare different VBC contract models, including shared savings, shared risk, bundled payments, and capitation - Analyze key financial and risk-sharing structures in VBC contracts to assess their potential impact on payers and providers - Interpret contractual clauses and compliance considerations, including regulatory requirements such as CMS guidelines, Stark Law, and Anti-Kickback Statutes - Evaluate financial models and performance metrics used in VBC contracts, such as quality measures, cost efficiency, and utilization benchmarks - Develop strategies for payer-provider collaboration, engagement, and change management to ensure successful contract execution - Utilize data-sharing frameworks and analytics tools to monitor contract performance and drive evidence-based decision-making - Identify challenges that arise during VBC contract implementation and propose solutions for mitigating financial and operational risks.
	Dr. Fkaette Joseph-Isang MD MBA MPH CPHQ CDIP PAHM <i>Principal Consultant</i>
